

第6回東アジア国際きのこ会議のご案内 (第1回)

Invitation

The 6th Meeting of East Asia for Mushroom Science

November 12-15, 2010
GYEONGJU TEMF Hotel, Gyeongju, Korea

Organized by the Korean Society of Mushroom Science

Dear Sir/Madam,

The 6th Meeting of East Asia for Mushroom Science organized by the Korean Society of Mushroom Science will be held in Gyeongju, Korea from November 12 to 15, 2010. On behalf of the organization committee, we are very happy to invite mushroom scientists from China, Japan, Korea and other countries to attend this meeting. This meeting will provide mushroom scientists with opportunities to discuss and exchange their recent researches and multidisciplinary expertises.

Gyeongju was the capital of the ancient kingdom of Silla which ruled most of the Korean peninsula between the 7th and 9th centuries. A vast number of archaeological sites and cultural properties from this period remain in the city. Gyeongju is often referred to as "the museum without walls". Among such historical treasures, Seokguram grotto, Bulguksa temple and Gyeongju Historic Areas are designated as World Heritage Sites by UNESCO.

We are sure that this meeting will offer a good opportunity for scientists to have an academic exchange and renew the personal friendship. Your presence at this meeting would be greatly appreciated.

Sincerely yours,

Jae-Sung Lee, Professor, Ph.D.
