

# Program at a Glance - 9<sup>th</sup> International Veterinary Immunology Symposium in Tokyo, Japan (August 16-20, 2010)

	Day 1 August 16 (Monday)	Day 2 August 17 (Tuesday)	Day 3 August 18 (Wednesday)	Day 4 August 19 (Thursday)	Day 5 August 20 (Friday)							
9:00	Registration Desk: Open at 9:10am	Registration Desk: Open at 9:10am	Registration Desk: Open at 9:10am	Registration Desk: Open at 9:10am	Registration Desk: Open at 9:10am							
9:30		<b>Plenary Session 1</b> (Innate immunity against infection) <u>Immunity in mucosal membrane</u> <u>Innate immune interactions of bovine WC1+ gamma delta T cells</u>	<b>Concurrent session 5</b> (Immunology of food animal species) <u>Disease resistance</u>	<b>Concurrent session 6</b> (Genetic control of immune responses) <u>MHC diversity on cattle T cell responses</u> <u>Analysis using microarray systems</u> <u>Gene expression</u>	<b>Plenary Session 3</b> (Immune regulation) <u>Disease resistance in domestic animals</u> <u>Immune pathways regulating swine responses to PRRSV</u> <u>Equine lymphocytes expressing FoxP3</u> <u>Porcine regulatory T cells</u>	<b>Concurrent session 7</b> (Immunology of companion animals) <u>Immune mediated disease in dog and cat</u>	<b>Concurrent session 8</b> (Pathogen recognition molecules and host defense) <u>Immune mediated disease in chicken</u> <u>Toll-like receptor</u> <u>Pattern recognition receptors</u>					
10:00	OECD Sponsored Conference (The Food Chain)	<b>Concurrent session 1</b> (Mucosal immunity) <u>Porcine dendritic cells</u> <u>Mucosal vaccination</u>	<b>Concurrent session 2</b> (Immune response to virus infections) <u>Herpes virus infection</u> <u>Nipah virus infection</u>	Workshop (FMDV Immunology)	VIC Workshop (Tool Kits)	Workshop 1	Workshop 2	Workshop 3	Workshop 4	Lifelong Achievement Award <u>Prof. K. Yamamoto</u>	Pfizer Award for Distinguished Veterinary Immunologist <u>Prof. D. Antczak</u>	
10:30												
11:00												
11:30												
12:00												
12:30												
13:00	Lunch Break	Lunch Break										
13:30												
14:00												
14:30	OECD Sponsored Conference (The Food Chain)		Poster Viewing 1									
15:00												
15:30		Coffee Break										
16:00	Break	<b>Plenary Session 2</b> (Host defense against intracellular pathogens) <u>Mycobacterium</u> <u>Listeria</u> <u>African Swine Fever Virus infection</u>										
16:30												
17:00	OECD Sponsored Conference (The Food Chain)	Mini-symposium (Treatment for immune disorders in companion animals) <b>[Language: Japanese only]</b>										
17:30			<b>Concurrent session 3</b> (Immune response to bacterial infections) <u>Cell mediated immunity</u> <u>The role of innate immune receptors</u> <u>Canine brucellosis</u>	<b>Concurrent session 4</b> (Immune response to protozoa, helminthes and ectoparasites) <u>Tick vaccine</u> <u>Parasite immunity in domestic animals</u>								
18:00												
18:30	Opening remarks											
19:00												
19:30	Reception											
20:00												
20:30												
21:00
